

Our chair covers fit most styles of standard banquet chairs. See pictures below for suggestions. However, we recommend that either you pick up a chair cover and try one on in advance and/or get measurements of the chairs to assure the cover will fit. At this time, our white chair covers will not fit extra wide banquet chairs. We do have one style of ivory chair covers that will fit extra wide banquet chairs. At this time, we do not have chair covers for folding chairs.

**Below are example pictures of chairs our covers fit:**

\* There are other styles of standard banquet chair covers that our covers will fit. Please measure your chair and/or try a sample cover to assure the cover will fit.

### **Approximate Measurements of standard white and ivory chair covers:**

Top to Bottom: 38"

Chair Back: 17" wide x 22" tall

Chair Seat: 18" wide x 19" length

Chair Leg: 18" tall from ground

**\* Our ivory damask covers fit extra wide banquet chairs and most square back chairs.**
