Do you just want to get old friends together? Do you want to throw a party for that special person in your life? Do you want to start a club or organize a group of people for an event? Do you want to get relatives together for the first annual family reunion? Dreamday can make it real!

“Release Your Inner Entertainer” Package Beginning at \$295

Dreamday will assist you in developing a budget and following it, planning each detail and activity of your event, a menu, décor, entertainment/games, designing/sending invitations, and coordinating your event on the actual day. Dreamday will give you ideas on how to make your day a success so both you and your guests have a wonderful time. Dreamday will be there on the day of your event to execute and coordinate all of the details and activities so you can have fun with your guests!
